

2019 SEASON GUIDE

A MESSAGE FROM OUR CEO *Greg Edwards*

Beginning a new pre-season after Premiership success has been a new experience for us all! However, once the celebrations were over and the new summer was about to start, it didn't take long for the Coaches to ensure the collective minds were on the job in the preparation of a new season. Since the players hit the track in late November, it has been hot, hard and tough out there each and every night.

It's easy to see at training that we have many young Roosters battling for a League spot early in the season, and those who held their spot in 2018 all keen to make sure that remains! This highly competitive environment is exactly what the coaches want, there is no doubt success comes off the back of depth for positions and we certainly have much of that at Prospect Oval! We farewelled several players from the League Premiership side into the AFL, and we all wish the very best to Callum Wilkie, Robbie Young, Connor Rozee, Boyd Woodcock and Jordon Sweet. Now, we want to see the next crop of youngsters who can step up to the plate and bring the type of value these players did, especially when it mattered most.

With losing players through the draft, as well as the retirement of Club great Leigh Ryswyk, our list has some new faces to excite the fans. Jake Neade will provide some polish and pressure to our game and Ben Jarman will add some real skill and explosiveness around the ball, particularly in front of goals. We will also be introducing Bill Laurie, a tall half back from the country, we welcome back Campbell Combe and Jake Keller after a few years away from the Club and we are excited by the raw potential of Jack Blair from Sydney Uni, a 206cm ruckman who comes from a rugby background.

The anticipation is growing as we enter the season as the reigning premier. Our ability to continue to relentlessly pursue success will determine the outcome.

Around the Club

As usual, the off season is where all the work is done! It's like our administration's pre-season, its where a lot of work is done to have a successful season!

Preparation of the year including budgets, Corporate Partnerships, Membership Launch, Annual Report, AGM Preparations, Football recruiting, player contracts and so many other things all have a priority and a standard which must be met. Our off-field admin team had a huge impact on the Premiership success of 2018 through their commitment to improve and drive to be successful. Our Football Dept must be congratulated for their efforts in managing all football programs across the Club, and to take up the challenges presented by list management, recruiting and welfare. We hit 2019 with a talented off field group who now know what success looks like! It truly is a team effort, all going in the same direction. We know it works, the proof is 2018!

Home Matches for 2019

- Player Awards post Home Match at 5.45pm
- Josh Carr's best 3 players
- Supporters Award
- After Match awards to be held in the Function Room at Prospect Oval on Home Matches
- Bistro available on certain matches only (to be confirmed on website)
- All Senior Players in attendance

Away Matches for 2019

- No presentations after away matches
- Players and coaches may meet at designated Hotels after some away matches for a drink and informal match review, this will be advised to all members in the week leading up to that away match.

All pre-seasons are hard, but we must remain the hunters in what will be another even competition. To date, the preparation has been excellent, the players are fit and ready to go. Premierships bring great optimism and confidence to everyone, and there is no doubt Josh, Jacob and the coaching group have worked the players hard on all areas of their game over the summer, so we expect some good results. The players are ready to show their fans exactly what their intentions are on field and they all look forward to seeing you at each and every match in 2019!

TRUENORTH! That's where we're going!

SENIOR COACH *Josh Carr*

We have been preparing for the 2019 season off the back of a successful 2018 with great motivation.

It's funny how experiencing success can make you hungry for more.

Pre Season has been shorter than usual due to finishing later in the year. With the short schedule, the sessions we've done have been extremely intense. The players have attacked each session with something to prove.

We have worked hard on all facets of our game. Our skills have had a high priority on top of everything else. There are a few vacancies left from the team in the grand final, with that comes opportunity. We have a number of players ready to replace the holes left in the team.

We are all excited about what 2019 may look like and certainly won't shy away from the challenge that's in front of us.

We need all of our supporters turning up each and every week. We start with our round one game at Woodville. I want to see the red and white army drowning out the opposition and being a force that is talked about in South Australia in 2019

HEAD OF FOOTBALL DEVELOPMENT *Jacob Surjan*

After a successful 2018 season we set our focus to improving on what we learnt last season. Fast tracking the development of our senior squad & making them better but also keeping a high standard of development in our junior grades. With our junior grades it's a continued focus on the fundamentals of the game, teaching techniques & decisions making. We are looking forward to another successful campaign.

North Adelaide Football Club PICKET FENCE PROJECT

Every Player who has represented the Club at League level now has a plaque with their Player Number, Name and Debut year installed around the oval.

Although the initial install has already happened, we are still taking on Picket Donations throughout the year. The donation is set at \$180 per picket for 2019 NAFC Members, or \$200 for non-members. A very small donation for a piece of significant history!

Donated Pickets have a second plaque where the donor has up to three lines to add their name, a group name or a small message. This message cannot exceed 20 characters per line, which includes spacing and grammar.

Picket donations can be ordered and paid for (in full) via one of three (3) ways:

1. By telephoning reception (we will complete a form and accept payment over the phone) | 8344-8733
2. By coming into reception during office hours (Mon – Fri) (form to be completed by the donor at reception)
3. By downloading an order form from nafc.com.au and returning it via email or in person.

Please note: Payment details need to be fully completed on the form for acceptance.

If you have any questions regarding the Picket Fence Project, please do not hesitate to contact reception on 8344-8733 or by sending an email to administration@nafc.com.au
