

A reflection into the club and its players from a different perspective through snippets of yesteryear

Round 6 2018 Edition

## *"South Australian Football Budget" – Saturday 7 May 1983*

### Phillips Tribute

The Football Budget would like to take this opportunity to add its voice in tribute to former North Adelaide star John Phillips who was killed

after being hit by a car last Saturday night. Phillips played for North from 1962 to 1974, chiefly at centre win, totalling 77 games, including the Roosters 1971 and 1972 premierships. A resourceful, direct

player he also represented South Australia five times including the Hobart Carnival in 1966. He acted as the league runner for the past two seasons.

As a mark of respect today North Adelaide president Mr. Kelly Baker will ask patrons and players to observe twenty seconds silence prior to the start of the league game against Norwood. North players will also be wearing black arm bands."

## *"Daily Herald" – Friday 10 September 1920*

"The keen feeling between Torrens and Port drove the Port barrackers into the North camp on Saturday; Ports have a rather friendly regard for North, whom they supported solidly in last season's final, and admire for their fair methods in the recent contest between them which decided the minor premiership. Solid barracking for North came from some Sturt players and officials, who last year rejoiced at their narrow win over North in the Premiership contest. Owen Beatty, Whitehead, Bruce, and Golding, with Secretary Tank, were delighted with the victory of the red and whites, and Golding was one of the first to congratulate Leahy on his side's win."

## *North Adelaide Football Club Official Website – Wednesday 13 July 2005*

"Saturday's win against the Bays, was one of the best wins we've had while I have been involved at the Roosters. To be without our Bench halfway through the second quarter, and for my 18 boys left to pull together and win for their fallen comrades and themselves was what I hope will be a significant point in our development. They played as a unit and sacrificed their bodies for each other in a great display of honest football.

Everybody did their part, but there were some standouts, I thought Lads (Ladhams) and Kriegy (Krieg) played their best games for the season, while Wisey (Wise), Hargs (Hargraves) and Banger (Bamford) also played well. Heathy (Heath) stood up in only his 3rd senior game against an experienced player in Herbert. To single out a few seems unfair for it was a real team effort last Saturday.

On the injury front our thoughts go out to Roey (Roe) and Wakes (Wakelin) who will spend up to 6 weeks on the sidelines. They have played very well this year for us, and will need someone to step up to fill their roles while they are out. Coult's (Coulter) also was injured, but I don't expect him to be out for too long" – Andrew Jarman (Senior Coach)."

## *"Evening Journal" – Saturday 25 May 1889*

"During the latter portion of the game the green wherein the footballers play (oval) was invaded by a number of the genus larrikin, who not only seriously impeded the progress of the game and prevented the spectators from witnessing half of the match, but made the place hideous with their shrill cried and coarse remarks. The Association officials were not present, and the police were conspicuous by their absence."

## BIG BEN SWAP CARD PROMOTION BOOMING

The huge demand for Big Ben footy posters and swap cards has forced a reprint of the popular posters.

Associated Baking Corporation (SA), the selected supplier of Big Ben pies and pasties to Football Park boasted record sales in the first week of the promotion.

After the third week of the promotion, stocks of the 15,000 initial print run of the poster are quickly running out and additional stock will be rushed into the league football clubs to cater for the demand.

The posters, produced for each of the 10 league clubs feature an action photograph, the club logo and player profile information about the six players whose photographs can be collected and pasted to the poster.

Glen Morelli of Cheltenham created havoc at Football Park a few weeks ago when he arrived at the collection point with 300 coupons. Fortunately he only asked for a set of 10 posters but still needed the 360 swap cards that he was entitled to.

To obtain a team poster and six swap cards, five coupons from the Big Ben pie bags must be collected and exchanged at any League club and Football Park.

The swap cards available to collect are: Richard Cousins, Peter Beythien, Peter Krieg, Graeme Robertson, Phil Graham, John Platten (Central District), Tony McGuinness,

John MacFarlane, Peter Carey, Chris McDermott, David Marshall, Stephen Kernahan (Glennelg), Mick Redden, David Tiller, John Riley, Craig Stanbridge, Matthew Campbell, Tony Antrobus (North Adelaide), Garry McIntosh, Greg Turbill, Andrew Aish, Michael Aish, Tom Warhust, Keith Thomas (Norwood), Russell Ebert, Brian Cunningham, Ivan Eckermann, Craig Bradley, Greg Anderson, Paul Belton (Port Adelaide), John Schneeblechler, Mark Naley, Graham Comes, Robin White, Stewart Palmer, Robb Hawkins (South Adelaide), Neil Craig, Rick Davies, Brendon Howard, Frank Spiel, Peter Motley, Jim Derrington (Sturt), Roger Luders, Geoff Morris, Ian Borchard, Richard Hamilton, Peter Meuret, Grant Fielke (West Adelaide), Glen Elliott, Ian Hanna, John Cunningham, Peter Johnston, Darryl Schimmelbusch, Peter Phillipou (West Torrens), Jon Simpson, Lindsay Heaven, John Roberts, Malcolm Blight, Andrew Matheson and Max Parker (Woodville).

Many patrons at Football Park are finding that the "pie-bag hungry" young swap card collectors are not allowing them to finish their pie or pastie before being forced to surrender it so the youngster can add to his swap card collection.

The promotion, if stocks last, will continue through July and August.

### RESERVES - Rooster on the improve

"The mass frustration associated with following the fortunes of the North Adelaide Reserves side may have finally ended.

Last week North entered the five for the first time in three years. And if its selectors can pick from a static squad, to maintain consistency, North will be seen at Football Park in September.

So often at the end of the season the critiques for North have read: "Started poorly. Finished strongly. One to watch as an improver next season."

Come the next season North finds there has been many departures or injuries at league level which robs the Reserves side of its efforts to build a strong cohesive unit.

Undoubtedly providing replacements for lost league players is the purpose of the Reserves competition.

But the Reserves teams have their loyal band of supporters who wish to see their future league players taste the sweetness of champagne come finals time."

## From The Newspapers Match Report Quotebook

### Daniel Hargraves (2002, Rd 4 v SA)

"Nine-goal full forward Daniel Hargraves has spearheaded North Adelaide to its first win of the season... Hargraves was magnificent for the Roosters, kicking seven goals in the first half when the game was up for grabs and putting the finishing touches on the win with two last-term goals after South had closed to within one point" – *Sunday Mail*

### Don Lindner (1967, Rd 18 v CD)

"North Adelaide captain Don Lindner played his 225<sup>th</sup> league game and broke Ken Farmer's club record by leading his team to an overwhelming win over a tentative Central District... And there was no half-measure either. He sustained his brilliant form with another best-on-ground performance which featured spectacular high marking over packs and raking dropkicks in his inimitable style... But Lindner did everything right even to the extent of giving North first use of the wind by winning the toss" – *The Advertiser*

\* *Lindner's games record included some Advertiser Cup matches.*

## FOOTBALL FINAL BRILLIANT Farmer's New Record AFTER THE MATCH

Features of a brilliant finale to the football season on Saturday in which North Adelaide won from Sturt by 17.13 to 11.11, were a record crowd for the season of 34,202, and that Farmer, of North, brought his total of goals this year to 126—two better than the Australian record of Gordon Coventry, of Colingwood, Victoria.

There was an excited scene in North's dressing-room after the game. Thoughts of all else were abandoned for mutual congratulations, and to shower felicitations on Farmer. Players and supporters crowded the tables, the benches, and even sat on top of the lockers. The doorkeeper vainly tried to regulate their entry, but his efforts were not equal to the pressure of those outside, and he was forced to let them flow in promiscuously.

### Comments :

North's second premiership in as many years; Farmer received "a tremendous ovation" when his 5<sup>th</sup> goal broke Gordon Coventry's Australian goalkicking record of 124 goals in a season; "Phillis and Willshire rucked well for North. Phillis, in view of the fact that his age is only 18, should develop into a champion. Willshire's forte is his determination. He shone in the third term" – all from *The Mail*

THE RECORD-BREAKER — K. Farmer, North goalsneak, kicking the goal today with which he broke the Australian record of 124 goals in a season.

### Farmer's Great Goalgetting

"North's captain, Furler, and Farmer, who had been "chaired" from the ground, were the heroes, although every player received his share of the plaudits. North's supporters were justified in their wild enthusiasm about Farmer, for he has had a remarkable career."
