The following rules and conditions have been established to protect the Club against unforeseen and unreasonable costs that could affect the positive work achieved during this fundraising event, therefore please ensure you understand your benefits and responsibilities clearly before making a bid.

The auctioneer is in charge of all bidding and has final authority in the event of a dispute. All items are purchased at the risk and expense of the purchaser at the fall of the hammer.

Conditions of items are clearly stated in the catalogue and once the hammer falls, no refunds, exchanges, additions or alterations can be made unless specifically stated in the description.

North Adelaide Football Club and the auction committee give no warranty on any item offered in the auction.

Please feel free to bid for Silent Auction items from the moment you arrive and as often as you like thereafter until the close of the Silent Auction.

Silent Auction bids must increase by a minimum of \$5 per bid.

The highest bid for each and any item shall be the successful bid. By making a bid, you acknowledge and accept you will be bound to honour the offer made by you, if you are the highest bidder at the time of closing.

Any bids made after the closing of the Silent Auction has been announced will not be recognised.

Successful Silent Auction bidders will be advised following the closure of the Silent Auction.

Should you be unable to take items home with you, delivery can be arranged at the expense of the purchaser. Delivery must be arranged within two weeks of the auction.

ITEM 2. LIMITED EDITION PETER COAD "GICLEE" PRINT VALUED OVER \$660.00 DONATED BY PETER COAD

Artist Statement;

For several days I visited an area along the River Murray, constantly returning to the same regions that I connected with to draw and film those locations. There was an abundance of beautiful swamps, inlets and birdlife from which I drew immense inspiration. On the third day, a graceful black swan emerged from the shadows of the Treelined River. After this peaceful experience, I returned home to develop a series of work all based around my encounter with The Swan. This is a giclee print from a series of 20 only which is a copy of a large canvas from the actual painting series.
