Welcome

The North Adelaide Football Club welcomes you to our 2017 Gala Long Lunch and Auction, proudly sponsored yet again by Terry Howe Printing Services. The National Wine Centre will again be the place for this new approach to one of the best functions in the 2017 calendar, still recognised as one of the most popular events by other clubs in the SANFL.

Our 2017 season has provided some very mixed results so far, as the coaching group strive to improve our on field performances and re-establish the consistency that will deliver the successes we all want. The Gala Long Lunch and Auction has come about due to the unavailability of a venue that coincided with a bye and thus the club had to come up with something different. Feedback from supporters were also looking for a more casual approach and so it is that we have this opportunity to do just that. A time where the players, coaches and staff reflect on the results and prepare for the challenges ahead and we get the chance to do that together with you, as we relax and be part of the Roosters biggest fundraiser and most important social gathering. Our Gala functions has continued to provide a great source of funds to the Club, enabling us to maintain the levels of development and education for our juniors and keeping up to date on facilities and technology. This function always brings out that Rooster passion and enthusiasm in all of us, whether it be bidding for that overseas holiday package in the Major Auction, quietly placing bids in the Silent Auction or just getting around your friends, family, or players at this fabulous function centre!

Its over to you, sit back, relax, make a few bids and make the most of the day, as I know North Adelaide people can!

Go the Roosters!

7 Peter Coad Print – Red Ephemeral

Title: Red Ephemeral
Medium: Limited Edition
Giclee Print on German Paper
Number in the Series: 6/20

"In 1997 I spent time travelling through Morocco. I was overwhelmed by the massive changes of light and colour on the sand dunes, mountains, waterways and salt plains and the spectacular sunsets that would turn these landscapes red. After returning to Australia and visiting South Australia's Coorong National Park during summer, I again witnessed a very intense red sunset reminding me of my travels and experiences in Morocco. It was then I decided to paint a series of works called 'Red Ephemeral'. This Limited Edition Giclee print has been reproduced from one of my paintings in that series."

Peter Coad is one of our Vice-Presidents and has generously donated this print, with framing being donated by Elite Picture Framing
