INTRODUCTION

The North Adelaide Football Clubs is committed to assisting and supporting, in as many ways as possible, all the clubs and schools that are located in its promotional zone.

This booklet outlines the programs offered by our Club, in conjunction with the SANFL, the methods used to attract players to the elite program and the support offered to clubs and schools to ensure as many people as possible are playing Australian Rules Football.

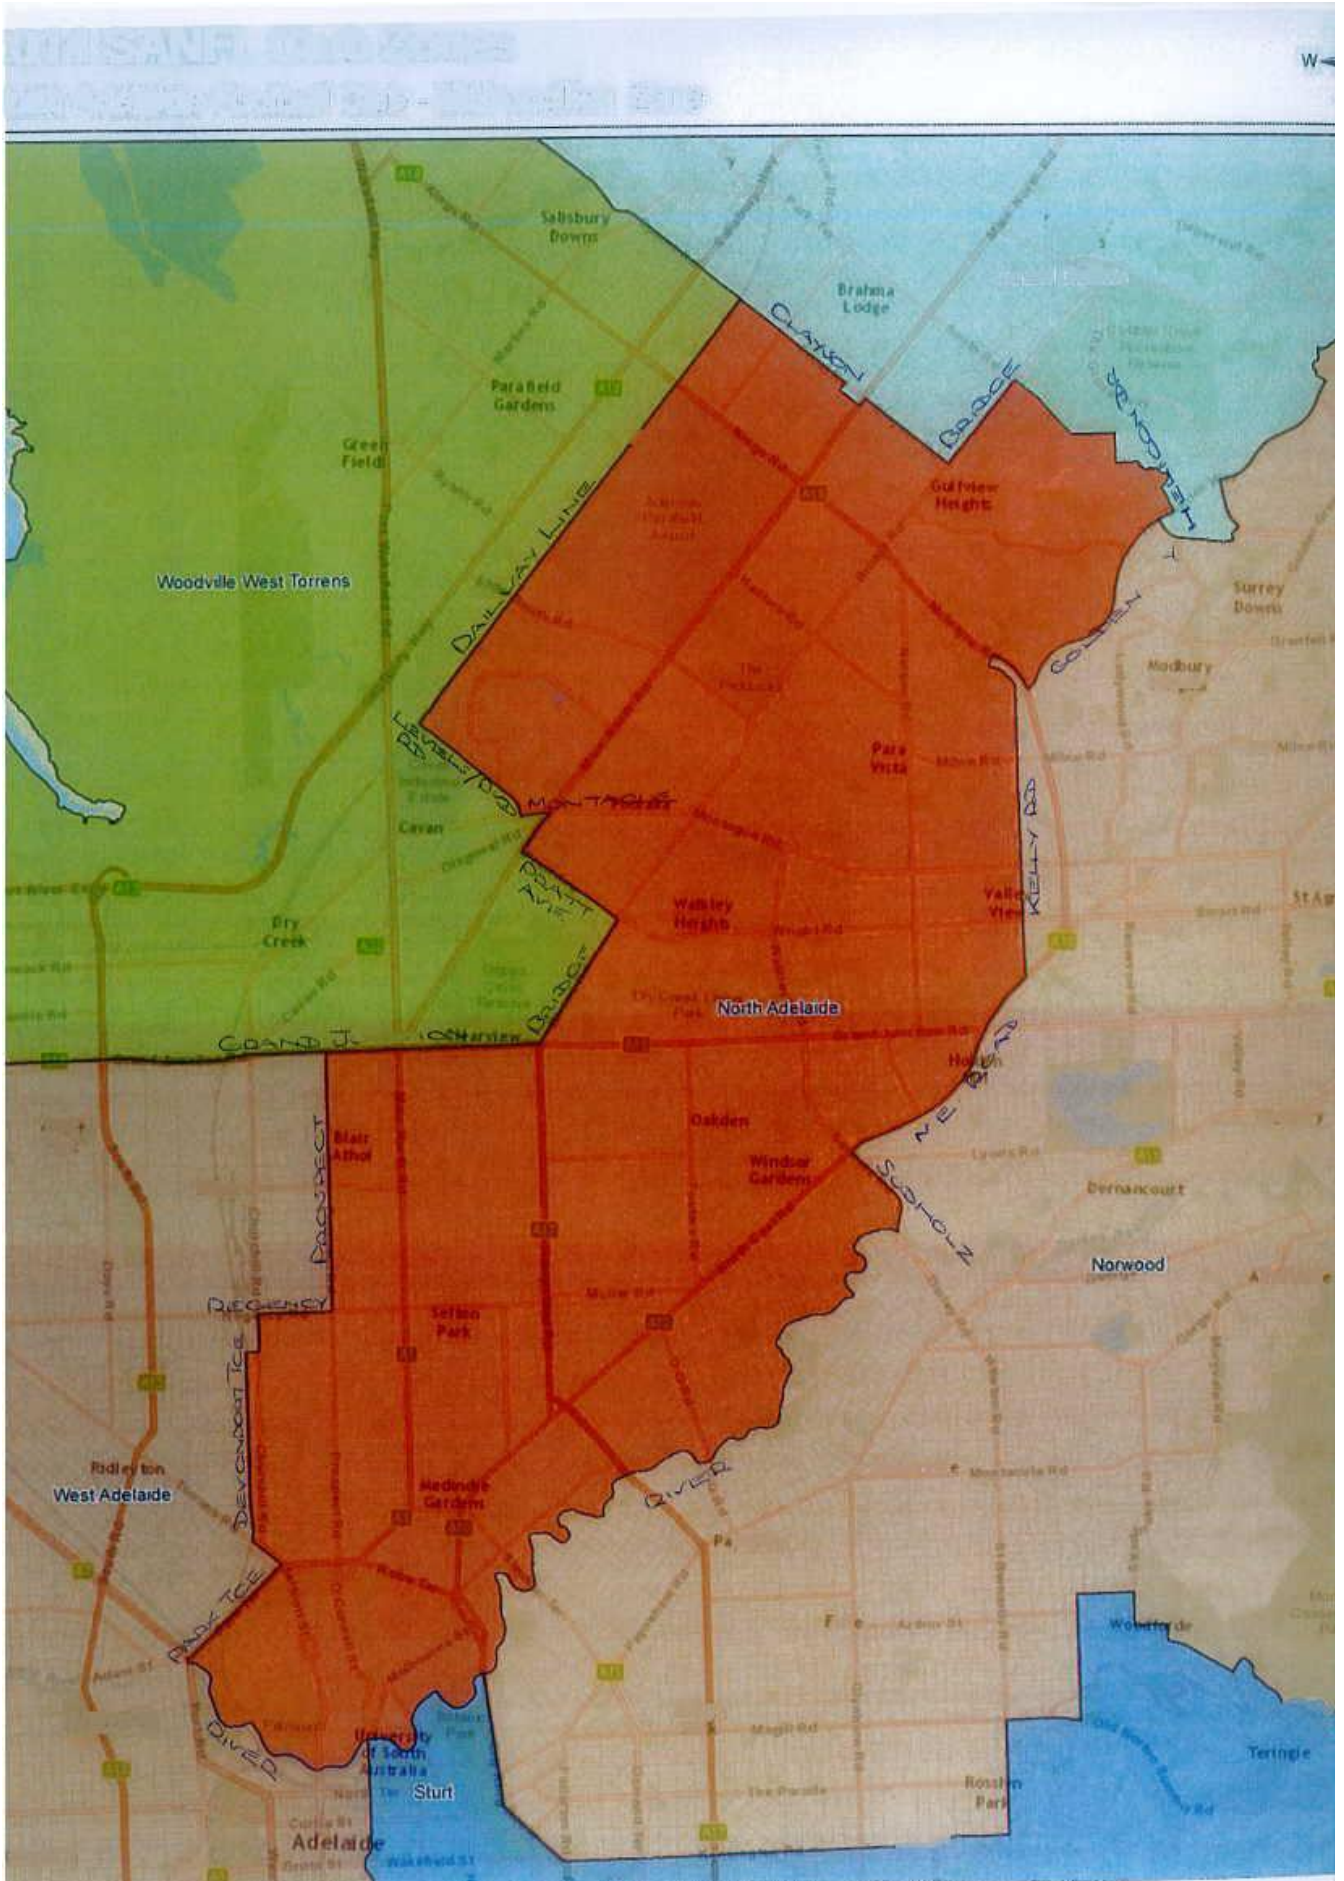

This booklet will ensure that all relevant parties in the football community are clear on what North Adelaide offers and how you can access these programs.

In 2003 the SANFL restructured their football operations and as a result several programs that were run by SANFL clubs are now run by the SANFL. Jason Rivett is the SANFL Development Officer who works closely with the NAFC Development Manager, to promote football within our Zone.

We look forward to working with you all to maximize the numbers playing Australian Rules Football, for the benefit of the individual, the School and/or Club.

Students need to contact their School Football Ambassador or Sports person to establish which football programs are available in their school. The SANFL Schools competition plays its matches Saturday morning.

ZONING RULES FOR PLAYERS

The SANFL has divided South Australia into 8 promotional zones. This ensures that each SANFL club has an even share of the available players in the State. It also means that each SANFL club is given sole responsibility for assisting local clubs and schools to promote Australian Rules Football. See Page 5 for the Metropolitan Zone of the North Adelaide Football Club.

If a person is under 18 years of age, they are bound to play football for one of 8 SANFL clubs, based on their home address, not their school or Club address. In the case of a split family the mother's address is used, unless it can be proven they live more than 50% of the time with their father. If a family moves address, the previous address is used until 12 months after they move. This means you can not change address and be eligible to straight away play for another SANFL club.

This zoning rule only applies to players who are applying to play for an SANFL club from the year they turn 14 until the year they are 18.

There are several options for a player who wants to play for a club for which he is not zoned.

1. The out of zone club pays the players zoned club \$5,000. There are also incremental payments of \$4,000 on the player's first league game, and \$3,000 on their 10th and 25th games.
2. The out of zone club organises a player transfer with the zoned club for a player of like ability. Future charges may or may not occur depending on the arrangement between the Clubs.
3. The father of the out of zone player has played one or more League games for that club, the player is then free to play at the out of zone club.

A player is able to train and play in the Under 13 and 14 Development Squad teams for any club. However for the Under 15 program, **no** out of zone player can be chosen to play in the final squad of 25 in the Under 15 Championships.

Any out of zone player who trains with the North Adelaide Football Club Youth Squads will be kept well informed of his options and the likelihood of any deals eventuating.

SANFL / AFL TRANSFER FEES

Affiliated League and Association Clubs shall be entitled to receive compensation for the loss of services of registered players under the following conditions.

Previous conditions where a player had to play 30 SANFL League games has now been abolished and replaced by the:-

SANFL Debutant Talent Fee Model

- \$500 talent fee paid to an affiliated Club who produces an SANFL League Debutant accompanied with a letter from SANFL CEO (SANFL Club will be acknowledged in letter)
- Affiliated Club receives a framed photo of player
- Only local South Australians are eligible
- A weekly article on the SANFL and SACFL website and in the SANFL Budget (article to be provided to local Club, League and paper)

Upon being drafted by an AFL Club (Regulation 14.7.6), the Club, League and Zone shall receive the following.

As from the 2014 Draft each SANFL League Club now receives \$50,000 regardless of the number of players drafted.

The Community Football Board currently receives \$5000 for every player drafted. These amounts are split between the zones, Leagues and Clubs in accordance with their regulations.

The amount forthcoming from the AFL varies from year to year and is at the discretion of the AFL/SANFL. This update is effective for the 2014 Draft.

This is currently under review.

NAFC LOCAL CLUB/SCHOOL POLICY

CLUB FOOTBALL.

The North Adelaide Football Club encourages all players who are not selected on any given weekend or are no longer required by the North Adelaide Football Club, to return to their club of origin.

The North Adelaide Football Club encourages all players who are not selected on any given weekend or are no longer required by the NAFC, ***to return to their club of origin.***

In the Under 16 grade, all players who represent North Adelaide on Saturday will be expected not to play for their club of origin on Sunday as per SANFL Juniors Regulation 6.7.1. *A Player who is over the age of fifteen (15) years on January 1st in the current year playing for a SANFL League Club on a Type 2 permit, or playing in trial games for State Representative teams shall play only one (1) match in any 72 hour period*

In the Under 18 age group, if a player has played less than half a game on the Saturday, they **may** be given permission to play for their club of origin on Sunday, **but only after consultation with the Coach, Jason Blair.** ***Any other player who plays for their local Club will not be considered for selection the following Saturday.***

COLLEGE FOOTBALL.

All players who attend an Independent School that has a team entered in the ISSA Competition will be required to play for their school. These players are encouraged to keep training at North Adelaide, even when playing for their school. However the Club is very mindful of both football and School commitments and suggests the player consults with their respective Coaches to ensure there is a sensible workload.

The North Adelaide Football Club strongly supports the District Club and ISSA Competitions, and is very mindful of the role they play in developing the players for the AFL and SANFL.

NAFC DEVELOPMENT SQUADS

PHILOSOPHY

The aim of the squads is to get the best players into the elite system and give them the chance to develop the skills of football with the more talented players in the North Adelaide zone.

Players develop at different ages and North Adelaide believes it is critical to expose as many good players as possible to this program. It is the start of the elite pathway and a critical step if a player is keen to progress in their football.

SELECTION OF SQUADS

At the completion of the season the Club Development Manager makes contact with the Coaches from the NEMJFA competition from the Under 12 age group up, and the Year 6/7 Primary School Coaches.

They are asked to submit names of players they think may be good enough to play at this next level.

All the players nominated are sent a letter to join the Development Squad in February the following year. The Squads start training Mid March and train until the end of April when the squads are cut.

The Under 13 and Under 14 Squads are reduced to a maximum of 24 players whilst the Under 15 Squad will run with no more than 30 players until closer to the State Under 15 Championships held in the July School Holidays. These reduced squads train until the completion of all squad games.

As stated earlier, players develop and grow at different ages, so any players cut may be re-invited the next year.

North Adelaide has a network of 'scouts' in the zone and they are given the task of identifying any talented players that may not have been nominated by the local clubs or schools.

The Development Squad Program is designed as a support structure for talented players. It is not designed to replace local club or school football. This program relies on players playing at least once a weekend, for their school or local club.

Once the Squads have been finalised, an Information / Presentation Evening is held to advise parents and players of the program. Again the Club is concerned at the excessive games some players play. These issues along with many others are raised, and compromises are reached to ensure the longevity of the person's football career.

DEVELOPMENT SQUAD PROGRAM 2017.

Coaches & Training Times.

U15 Coach	Scott Uppington	Train Wednesday 4.30pm-5.30pm
U14 Coach	Jason Rivett	Train Tuesday 4.30pm-5.30pm
U13 Coach	Leon Minervini	Train Monday 4.30-5.30pm

Information Evening.

An all squad Information Evening / Presentation Night will be held from 5.30 until 6pm on the Wednesday May 24 in the Main Hall Prospect

Trial Games.

Fri May 12	v	Centrals	My Money House Oval
Fri May 26	v	Glenelg	Away (tbc)
Fri June 2	v	Norwood	Gaza Oval

Thurs July 14	v	Country	Port Pirie
		(U14,U15 only)	

Game Times. U13's 5.30pm U14's 6.45pm U15's 8.10pm

Luncheons.

Under 13/14 Saturday July 2 North v Adelaide
 Parents issued with tickets, children U18 free.

Under 15 State Championships.

The program has not yet been confirmed, but will run from Tuesday July 18 to Friday July 21. Any questions or concerns about the Development Squad Program please phone Neil Sanders on 8344 8733

UNDER 16 & UNDER 18 SQUADS

PHILOSOPHY

Similar to the Youth Squads the aim is to get the best players into the system to enhance their chances of making it at the elite level.

2009 saw the introduction of an Under 18 competition and a reduced Under 16 competition. They will play matches together until the completion of the Under 16 minor round program on May 6. After that the Under 18's will play stand alone matches, sometimes playing double header or triple header matches.

College and Country players (who are not always available) are given equal opportunity to Club based players.

RECRUITING

Similar to the Youth Squads, the respective Coaches of teams from Under 15 age upward are contacted for their thoughts.

The North Adelaide Junior Recruiting Committee is also actively watching games to assist in the identification of talent.

UNDER 16 & UNDER 18 SQUAD PROGRAM 2016

Coaches & Training Times.

Under 16 Coach	Nigel Beneke	Train Tuesday & Thursday 5.30-7.30pm
Under 18 Coach	Jason Blair	Train Tuesday & Thursday 5.30-7.30pm

Preseason Training Dates Nov 22-Dec 15	Greenacres Oval
January 9 to March 23	Greenacres Oval
March 28 to season end	Prospect Oval

Some alternative venues will be organised during the course of the year.

Training Camps.

February 17 - 19 Under 16 Country Camp Melrose

Trial Matches.

Sun March 12	v	West	City Mazda Oval (U16 only)
Sun March 19	v	Country	Port Broughton
Sun March 26	v	Glenelg	Football Park (U18 only)
Sun April 2	v	Sturt	Peter Motley Oval (U18 only)

SANFL PROGRAMS THAT ARE SUPPORTED BY NORTH ADELAIDE

Jason Rivett is the Metropolitan Development Officer for the North Adelaide zone. He is employed by the SANFL to administer participation programs in the North Adelaide zone.

He is responsible for the implementation and smooth running of the following programs (along with the named manager):

AFL Auskick (Manager is Phil Picone)

SANFL Schools Football Program (Manager is Pauline Bowen)

SANFL Mini League (Phil Picone)

AFL Little League & Grid Games Program

9-a-side Competitions (Primary Schools)

Sporting Schools Program

AFL 9's

School visits to schools participating in the above programs

To obtain further information on these programs, a more detailed description follows, or please phone Jason Rivett on 0405 455 585 or your School Football Ambassador.

NAFC LOCAL CLUB AND SCHOOL PROMOTION PROGRAM

North Adelaide and the SANFL will provide assistance to local clubs and schools through the following programs:

Level One Coaches Course

As from 2015 the SANFL will run level 1 Coaches Courses. Courses will be split into 3 sections – online general principles of coaching course, face to face coach education session and an assessment. All metro. Courses will be specific for junior, youth and senior Coaches. Full details, links to online courses and links to registration/payment can be found on the SANFL website:-

Junior – Wednesday 29/3. 6pm at Endeavour College

Youth & Senior – Wednesday 15/3. 6pm at Endeavour College

http://www.sanfl.com.au/community_engagement/coaching/courses/Level_1

Club Visits – Tuesday May 9 5pm – 6pm

North Adelaide players will attend training at Clubs on the above date. Senior players are also allocated to clubs to attend Jumper and Trophy Presentation Nights. The Clubs will be notified of which players have been allocated to their Club. Neil Sanders is the contact person to organise their attendance.

School Visits

North Adelaide in conjunction with the SANFL Development Officer, Jason Rivett will conduct coaching clinics or school visits in the North Adelaide promotional zone. These visits are aimed at getting more children playing football and also promoting the existence of the SANFL and the North Adelaide Football Club.

Use of the Sporting Schools Program is the best option for clinics.

Activities offered to schools are detailed on the following pages.

Holiday Coaching Clinics.

Clinics are conducted for boys and girls of primary school ages during the following times:

April 20-21 9.30am - 12 noon

July 10 - 11 9.30am - 12 noon

Cost is \$60 per 2 day clinic. See the NAFC website www.nafc.com.au for further details.

Auskick.

Caters for Reception to Year 3 children. Children learn basic coordination and football skills in a fun environment. Auskick runs from May to September over 9 weeks. The NAFC encourages Schools and Clubs to set up Auskick centers as a lead into their Year 2/3 and Under 8 competitions. Cost is \$75 for the program + an Auskick pack, use of the Sports Voucher through Medicare will save you \$50, this is done during registration.

(www.aflauskick.com.au).

Auskick Centres in 2016 were:

Schools:

Blackfriars
East Para
Keithcot Farm
Prospect / Rosary
Prescott Northern
St Pauls College

Clubs:

Broadview
Gaza x 2
Gepps Cross x2
Ingle Farm
Kilburn
Mawson Lakes
Para Hills x 2
Walkerville
North Adelaide
North Adelaide ALL GIRLS

Contact Jason Rivett on 0405 455 585 for start times and Coordinators details, or if you wish to start a centre at your school / club. To register online visit aflauskick.com.au

School Based Promotional Activities.

The following programs are offered:

Sporting Schools Program

Schools receive a free coaching clinic program, length of the program is chosen by school. Clinics are run by SANFL staff, some of which are NAFC players. More information on this clinics are on Page s 18 and 19, or please contact the appropriate people listed on these pages.

SANFL Schools.

If your school wishes to be part of our Saturday morning competition, contact Pauline Bowen on 0411 765 587 or Jason Rivett on 0405 455 585. The 2017 competition starts on May 13.

Friday Afternoon Term 2 Nine A Side Competition.

This competition is aimed at the smaller schools who have insufficient numbers to compete on Saturday morning. NAFC will run the Roosters Shield at St. Dominics Oval. Registrations to be directed to Jason Rivett.

Little League.

5 schools per year get the chance to play at half time of an AFL game. This is done on a rotational basis with our Country Zone. It is Metro's turn in 2016. See Pages 21 and 22 for the roster and the match day information. Little League is for Year 6/7 students.

Grid Games.

As per little League, but for Auskick Centres or Yr 2/3 students. 24 players are needed for 2 by 6 player games for Crows games or 36 players for Port games. See also Pages 21 for the roster with match day information similar to Little League.

Mini League.

Mini League is played at Prospect Oval at half time of the League game. Two teams from within the NAFC promotional zone play against each other. See Page 24 for the roster and match day information. If you would like more information, please contact Jason Rivett on 0405 455 585.

AFL 9's

AFL 9's is a brand new game designed to provide opportunities for all Australian Football enthusiasts to enjoy participating in a game that has strong parallels with the traditional game. AFL 9's is designed so that everyone can play. It is less physically demanding with a major emphasis on fun and safety (non contact). The game is played in a friendly social environment whilst enabling people of all ages and ability levels to participate in same sex or mixed competitions. If you would like more information, please contact Jason Rivett on 0405 455 585.

Rules.

AFL 9's is a modified version of the traditional game. Some of the different features are as follows.

- Teams consist of nine players (unlimited bench players)
- No tackling – a tag system is used
- Only forwards can kick goals, and the ball must move between the zones
- The can be marked regardless of the distance the ball travels
- The playing field can be adjusted to suit the age of the children playing
- Mixed teams, with at least 1 female per zone.

SAPSASA.

The North Adelaide Football Club supports the SAPSASA program and is present during SAPSASA Week. In 2017 SAPSASA Week is June 5 to June 9. To get involved please contact the SAPSASA Convenor for your region. It is not aligned to football boundaries.

If your Club or School has an interest in any of these programs please contact Jason Rivett (0405 455 585), or your School Football Ambassador.

What is Sporting Schools Program?

Sporting Schools brings schools and sports together to deliver quality sporting programmes and inspire primary students to develop a lifelong interest in sport.

An Australian Government initiative, Sporting Schools will develop a national network that links school and sport in new and innovative ways to engage with 850,000 Australian children, and encourage more of them to take part in sport-based activities.

In addition, Sporting schools will fund sporting activities in more than 6,000 schools.

A key feature will be the use of National Sporting Organisations (NSO) endorsed sporting programs.

Sporting Schools will resume in term 1, 2017. It is part of the Australian Sports Commission (ASC) and will build on the legacy and success of the Active After-school Communities programme.

This new initiative will offer more flexible delivery options to enable schools to tailor a range of sporting programmes. Further details can be found at www.sportingschools.gov.au

What are the program offerings for AFL?

The AFL has two program offerings – Learn AFL and Experience AFL.

LEARN AFL is an Australian Football development program targeted at students with limited to no knowledge of the game.

The curriculum is linked to specific educational outcomes achieved through practising the core skills of the game and learning about the AFL and its Clubs.

EXPERIENCE AFL is an Australian Football development program targeted at students that already have some understanding of the game.

The curriculum expands on the student's previous exposure to the game via specific lesson plans and experiencing Australian football through modified match play

Staff will be able to provide assistance in determining the most suitable program for your students

What will it cost for our school to be involved?

For a four session program for 25 students the cost is \$500. For additional classes or a longer duration program please liaise with Nick Harnas nick.harnas@sanfl.com.au who can advise of the costs involved. SANFL Have the ability to tailor a package to suit your schools needs whereby offering cheaper program costs for those who opt out of receiving a School Engagement Pack.

What will be the benefits of students being involved?

Other than the well stated benefits of physical activity students will have an opportunity to further develop their fundamental motor skills such like kicking and catching in a fun and engaging way with their classmates. We will also be promoting how students can continue to be involved in physical activity such as AFL at local NAB AFL Auskick centres and junior Clubs.

How long will the SSP AFL program run for?

The minimum length of the program is four sessions/four weeks. However, a program can have more sessions and at multiple year levels if the school so desires based on available budget.

What age groups can be involved?

The program will be designed so that it can cater for a range of age groups. However, to ensure that the program is beneficial and effective for participants involved we would expect classes to be similar age groups/year levels e.g. Years Reception, 2/3, 4/5 & 6/7.

How many can we have in a class?

To ensure that students are actively engaged we recommend that classes are no larger than 25 students. However, we can cater for multiple classes to occur depending on available space/facilities and staffing.

How long does a session run for?

We do have some flexibility on the duration on the session but our program has been developed based on 45 minutes and is delivered during school time. This has been based on ASC guidelines.

What equipment do we require to provide?

All equipment will be provided to run the session. Ideally we just require a suitable playing space such as an oval or large multipurpose playing area.

Who delivers the program?

The program will be delivered by SANFL Game Development Officers.

What is their level of training?

The SANFL Game Development Officers will have completed training facilitated by the SANFL Community Coaching Team to ensure that they have the ability to teach the basic skills of Australian Football and have an understanding of junior football in South Australia. They have a current national police certificate and valid Working with Children Check.

What is the expectation for the school to be involved?

The school will need to ensure that it advises the respective parents that their son/daughter is involved in such a program if necessary. We would expect that the respective teacher is present through the whole session and provides assistance such as management/organisation of students as required by the Game Development Officer. We obviously encourage that the teacher participates in the session as it provides an ideal professional development opportunity for them.

How else can the AFL and SANFL assist the school following the completion of the program?

The AFL and SANFL offer a range of programs and initiatives for schools. The SANFL Development Officers can provide further details but information can be found on the respective website

www.afl.com.au/schools

AFL SCHOOL AMBASSADOR

THE ROLE OF THE AMBASSADOR

- Provide a point of contact at the school
- Work with the SANFL Development Officer/ Coordinator to explore all football opportunities at the school
- Assist the AFL / SANFL in the promotion of AFL competitions within the school and in local community groups
- Ensure that the school is participating in all football programs available
- Promotion of football programs in media/school newsletter
- Be a contact person for local junior / senior football clubs
- Liaise with other Ambassadors if possible to develop a competition based program within their school sporting region
- Assist in the distribution of resources to teachers and sports coordinators ensuring schools have the required equipment to complete an AFL / SANFL program
- Implement AFL / SANFL education packages in schools and professionally develop staff where necessary

To become an AFL School Ambassador you need to go to the following link and register.

<http://www.aflcommunityclub.com.au/index.php?id=393>

Various rewards are given depending on the level of involvement of the school and the ambassador.

The NAFC supplies a Rooster cap to Gold and Silver level Ambassadors

AFL GRID GAME & LITTLE LEAGUE ROSTER

Round	Match Date	AFL Match	Little League & Grid Games	Time	Little League School	Grid Game School Auskick Centre
6	Sunday April 30	Crows v Richmond		4.10pm	Para Hills FC	No Auskick

NAB AFL HALF TIME – LITTLE LEAGUE PARENT INFORMATION

Congratulations, your football club or school has been selected to participate in the Little League half Time Activities. You are invited to play in a ten a side grid game during the half time break of an AFL game.

Location: Adelaide Oval, War Memorial Drive North Adelaide

Game:

Date:

Arrival Time:

Centre Contact:

The above details will be forwarded a few weeks prior to the game

Admission

Little League participants will meet SANFL representatives at the above arrive time to the left of the Southern Stand main gate, look for the NAB AFL Auskick Signage.

Participants will receive two tickets, one for themselves and for one parent/caregiver. No other tickets will be given out. Once tickets have been distributed, SANFL representatives will lead participants and parents/caregivers to the designated area where they will be seated ready for commencement of the AFL game.

Participants and parents/caregivers involved in the NAB AFL Half Time must follow the conditions of entry applying to all Adelaide Oval attendees.

Collection

At the 20 minute mark of the first quarter, AFL Half Time Convenors and SANFL representatives will collect participants and lead them to their allocated change-rooms to change into AFL attire.

The only adults allowed in the change-rooms with players and SANFL representatives will be the Coach, Team Manager (who will take a role as a goal umpire), Goal Umpire and Photographer. These officials will be responsible for the movement of participants to and from the change-rooms, to the oval entry points and will be required to officiate on the ground as required. These officials will be required to sign in and will be provided with a change-room/on field access pass.

Clothing

Participants will be supplied with AFL Branded clothing to play in. Children are asked to wear clothes that they can easily change and to wear suitable footwear e.g. runners or football boots.

Photography

As per the conditions of entry patrons may be filmed, recorded or photographed by official broadcasters or photographers and these images or recordings may be used without the consent of, or payment or provision of other compensation to, patrons for all manner of official broadcast or promotional purposes.

Your school or club will allocate a person to photograph your group's half time activities. These will then be distributed to the participants and their parents. This person will be required to sign in with SANFL representatives and provide a copy of their DCSI clearance. If you do not wish for your child to be photographed, please notify the SANFL Representatives and they will provide your child with a florescent band to indicate to the photographers not to take their photos.

Parent Collection

Once the children have finished playing on the oval they will return to the change rooms and get changed. Once all the children are ready they be taken back to their seats by SANFL representatives / appointed officials.

Extra Tickets

If you would like to purchase extra tickets for family members or friends please contact Ticketek Australia to arrange purchasing a ticket as you normally would. The half time participants will be located in the Riverbank Stand (Southern Stand), Level 5 in section 520 and 521.

Please note: that the little league games will be played on the wings, with the NAB AFL Auskick Grid games being played in the inside 50's at each goal end. Players will be allocated a field once in the changerooms

MINI LEAGUE MATCH DAY INFORMATION.

Meeting Time and Place.

Meeting time is 1pm or 12 noon for 1.10pm games, unless other arrangements are made. You will meet outside the Main gate on Menzies Crescent, on the grass verge.

Tickets.

The SANFL will provide 50 tickets for adults per team. Children Under 18 are admitted free.

Point of Entry.

Players and adults will be led into the ground via the main gates.

Seating.

Grandstand seating will be provided in the far left rows of the Robert Lewis Stand (as you look up). Enter via southern stairs.

Change Rooms.

Teams change in the RSL Clubrooms, located under the Northern Grandstand. Children are advised to leave valuables with their parents.

Entry to Playing Surface and Ground Location.

Players will be escorted from the change rooms onto the oval, via the visitors gate. The game is played on the Northern half of the Oval

End of the Game.

The Teams are to move directly to the players race and form a guard of honour for the NAFC League Team.

Drinks.

The North Adelaide Mini League Manager or Official will deliver drinks to the change rooms.
